Motivated and skilled computer knowledge student. and problem-solving. Seeking a progressive organization to utilize my skills, knowledge, and experience in a challenging role that fosters growth and advancement. Analytical mindset enables me to tackle computer technology-related issues effectively and contribute to the organization's success.

EXPERIENCE

31/DECEMBER/2021 – 31/MAY/2021

SOLE PROPRIETORSHIP, E-COMMERCE BUSINESS

I have successfully built and managed a thriving online business. I have consistently achieved impressive sales growth, attracting and retaining a loyal customer base. Through my expertise in digital marketing, I have developed and executed effective strategies to enhance brand visibility and drive targeted traffic to my e-commerce platform. My e-commerce is a platform which deal in a trading of clothes on a ecommerce website like amazon, flipkart, meesho etc.
